

Dear Parents/Carers

Friday 21st March 2025

Price increases – April 2025

Unfortunately, due to a rise in expenses across all areas of our operations, we find ourselves in the position of needing to increase our fees. This decision has not been made lightly. The new prices will be applied, from **1st April 2025**.

School Meals	Time/days	What's included	Price
School Meals	Monday to Friday term time	School Meals – Menu selection on Parentpay (please order by Thursday 12 midnight)	£2.75 per hour (Increase of 22p) From 1st April
The increase of 22p is to support the increase in food costs and the service charge to have our meals delivered.			
NURSERY	Time/days	What's included	Price
Nursery hours (non funded)	Monday to Friday term time.	Nursery provision for any hours that are NOT funded by the Local Authority. This does not affect 15- and 30-hour funding.	£6.00 per hour (Increase of 60p) From 1st April
The increase of 40p is to support the increase in national insurance cost and the new minimum wage. From September 2025, local authority funding can only be used for core school hours (8.45am – 3.15pm) We will still offer wraparound care to Nursery children; however, this will be payable.
