Shine, Share, Flourish.

We **shine** our light for each other.

We **share** peace, respect and friendship.

We **flourish** and grow together

‘Your word is a lamp to my feet, a light to my path.’ Psalm 119

1. Aims

We are committed to meeting our obligation with regards to school attendance, including those laid out in the Department of Education's (DfE's) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#), through our whole-school vision that values good attendance, including:

- Setting high expectations for the attendance and punctuality of all pupils
- Promoting good attendance and the benefits of good attendance
- Reducing absence, including persistent and severe absence
- Ensuring every pupil has access to the full-time education to which they are entitled
- Acting early to address patterns of absence
- Building strong relationships with families to make sure pupils have the support in place to attend school

At Darrington, we recognise that attendance is a key safeguarding responsibility, and absence may be an early indicator of a pupil being at risk of harm, neglect, exploitation, mental ill health or other vulnerabilities. This approach reflects the DfE's requirement for schools to treat attendance as integral to safeguarding and inclusion.

All staff understand that patterns of persistent or severe absence must be monitored through a safeguarding lens in line with Keeping Children Safe in Education.

2. Legislation and guidance

This policy is based on the Department for Education's (DfE's) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#) and [school attendance parental responsibility measures](#). The guidance is based on the following pieces of legislation, which set out the legal powers and duties that govern school attendance:

- Part 6 of [The Education Act 1996](#)
- Part 3 of [The Education Act 2002](#)
- Part 7 of [The Education and Inspections Act 2006](#)
- [The Education \(Pupil Registration\) \(England\) Regulations 2006 \(and 2010, 2011, 2013, 2016 amendments\)](#)
- [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013](#)

This policy also refers to:

- > [School census guidance](#)
- > [Keeping Children Safe in Education](#)
- > [Mental health issues affecting a pupil's attendance: guidance for schools](#)

3. Roles and responsibilities

3.1 The governing body

The governing board is responsible for:

- Setting high expectations of all school leaders, staff, pupils and parents
- Making sure school leaders fulfil expectations and statutory duties, including:
 - Making sure the school records attendance accurately in the register, and shares the required information with the DfE and local authority
 - Making sure the school works effectively with local partners to help remove barriers to attendance, and keeps them informed regarding specific pupils, where appropriate
- Recognising and promoting the importance of school attendance across the school's policies and ethos
- Making sure the school's attendance management processes are delivered effectively, and that consistent support is provided for pupils who need it most by prioritising staff and resources
- Making sure the school has high aspirations for all pupils, but adapts processes and support to pupils' individual needs
- Regularly reviewing and challenging attendance data and helping school leaders focus improvement efforts on individual pupils or cohorts who need it most
- Working with school leaders to set goals or areas of focus for attendance and providing support and challenge
- Monitoring attendance figures for the whole school and repeatedly evaluating the effectiveness of the school's processes and improvement efforts to make sure they are meeting pupils needs
- Where the school is struggling with attendance, working with school leaders to develop a comprehensive action plan to improve attendance
- Making sure all staff receive adequate training on attendance as part of the regular continued professional development offer, so that staff understand:
 - The importance of good attendance
 - That absence is almost always a symptom of wider issues
 - The school's legal requirements for keeping registers
 - The school's strategies and procedures for tracking, following up on and improving attendance, including working with partners and keeping them informed regarding specific pupils, where appropriate
- Making sure dedicated training is provided to staff with a specific attendance function in their role, including in interpreting and analysing attendance data
- Holding the headteacher to account for the implementation of this policy

All governors have a breakdown of attendance termly as part of the Headteacher's written report. Any questions and key points are shared and addressed at the termly Full Governing Body meetings. In addition, this policy and attendance improvement strategies are discussed at the Standards and Pupils Committee.

3.2 The headteacher

The headteacher is responsible for:

- Implementation of this policy at the school
- Monitoring school-level absence data and reporting it to governors
- Supporting staff with monitoring the attendance of individual pupils
- Monitoring the impact of any implemented attendance strategies
- Working with the parents of pupils with special educational needs and/or disabilities (SEND) to develop specific support approaches for attendance for pupils with SEND, including where school transport is regularly being missed, and where pupils with SEND face in-school barriers
- Communicating with the local authority when a pupil with an education, health and care (EHC) plan has falling attendance, or where there are barriers to attendance that relate to the pupil's needs
- Communicating the school's high expectations for attendance and punctuality regularly to pupils and parents through all available channels

3.3 The designated senior leader responsible for attendance

The designated senior leader, also known as the 'Senior Attendance Champion' is responsible for:

- Leading, championing and improving attendance across the school
- Setting a clear vision for improving and maintaining good attendance
- Evaluating and monitoring expectations and processes
- Having a strong grasp of absence data and oversight of absence data analysis
- Regularly monitoring and evaluating progress in attendance
- Working with education welfare officers to tackle persistent absence
- Establishing and maintaining effective systems for tackling absence, and making sure they are followed by all staff
- Liaising with pupils, parents/carers and external agencies, where needed
- Building close and productive relationships with parents to discuss and tackle attendance issues
- Creating intervention or reintegration plans in partnership with pupils and their parents/carers
- Delivering targeted intervention and support to pupils and families

The designated senior leader responsible for attendance is Chris Lunn and can be contacted via the school's telephone number 01977 232320.

3.4 The School Admin staff

The school admin staff and the Headteacher are responsible for:

- Monitoring the attendance data (see section 7)
- Providing regular attendance reports to school staff and reporting concerns about attendance to the headteacher – the designated senior leader responsible for attendance
- Advising the headteacher when to issue fixed-penalty notices
- Take calls from parents/carers about absence on a day-to-day basis and record it on the school system

- Transfer calls from parents/carers to the class teacher/member of the SLT in order to provide them with more detailed support on attendance

3.5 Class teachers

Class teachers are responsible for recording attendance for morning and afternoon sessions on a daily basis, using the correct codes (see appendix 1), and submitting this information to the school office. These should be completed by 8:50am each morning and each afternoon by 1.20pm.

3.6 Parents

Where this policy refers to a parent, it refers to the adult the school and/or local authority decides is most appropriate to work with, including:

- All natural parents, whether they are married or not
- All those who have parental responsibility for a child or young person
- Those who have day-to-day responsibility for the child (i.e. lives with and looks after them)

Parents are expected to:

- Make sure their child attends every day on time
- Call the school to report their child's absence before 9:30am on the day of the absence, and advise when they are expected to return. School should be kept up to date with any changes to the child's illness and expected return date.
- Provide the school with more than 1 emergency contact number for their child
- Ensure that, where possible, appointments for their child are made outside of the school day
- Seek support, where necessary, for maintaining good attendance, by contacting school.

3.7 Pupils

Pupils are expected to:

- Attend school every day on time

4. Recording attendance

4.1 Attendance register

We will keep an attendance register, and place all pupils onto this register.

We will take our attendance register at the start of the first session of each school day and once during the first session of the afternoon. It will mark whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry

- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See appendix 1 for the DfE attendance codes.

We will also record:

- Whether the absence is authorised or not
- The nature of the activity, where a pupil is attending an approved educational activity
- The nature of circumstances where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 6 years after the date on which the entry was made.

Pupils must arrive in school by 8.50am on each school day.

The register for the first session will be taken by 8:50am and will be kept open until 9:30am. The register for the second session will be taken at 1:15pm and will be kept open until 1.25pm.

4.2 Unplanned absence

The pupil's parent must notify the school of the reason for the absence on the first day of an unplanned absence by 9.30am or as soon as practically possible by calling the school admin staff (see also section 7) who can be contacted on 01977 232320

On the first day of absence, or prior to it if appropriate, parents/carers must inform school as to the reasons for their child's absence: either by telephoning the school, **or** by sending a note **or** by calling at the school office to explain.

Our school operates a first day response to absence and will make telephone contact with parents at around 9.30 a.m. of the first day, unless parents have been in contact beforehand.

We will mark absence due to physical or mental illness as authorised unless the school has a genuine concern about the authenticity of the illness.

Where the absence is longer than 5 days or there are doubts about the authenticity of the illness, the school may ask for medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents will be notified of this in advance.

4.3 Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent notifies the school in advance of the appointment.

Parents must inform school as to the reasons for their child's planned absence: either by telephoning the school, **or** by sending a note **or** by calling at the school to explain. Medical appointment cards/text message confirmations may be asked to be shown as evidence of a medical or dental appointment.

However, we encourage parents to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

4.4 Lateness and punctuality

A pupil who arrives late:

- Before the register has closed at 9:30am will be marked as late, using the appropriate code (L)
- After the register has closed at 9.30am will be marked as present, using the appropriate code (U)

If there is a concern over the punctuality of your child, school will make contact informally via your child's class teacher. This would be to raise the concern and to discuss if school can support in any way. If punctuality remains a concern, the Headteacher may make contact or a letter may be sent home offering support.

4.5 Following up unexplained absence

Any unexplained absence will be treated as a potential safeguarding matter.

This reflects the DfE requirement for schools to have robust day-to-day processes to follow up absence as part of safeguarding practice.

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

- Call the pupil's parent on the morning of the first day of unexplained absence by 9:30am to ascertain the reason. If the school cannot reach any of the pupil's emergency contacts, the school may carry out a home visit or contact the police.
- Identify whether the absence is approved or not
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session for which the pupil was absent
- Call the parent on each day that the absence continues without explanation to ensure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving an education welfare officer
- Where appropriate, offer support to the pupil and/or their parents to improve attendance
- Identify whether the pupil needs support from wider partners, as quickly as possible, and make the necessary referral
- Where support is not appropriate, not successful, or not engaged with, the school will issue a notice to improve or other legal intervention (see section 5.2 below) as appropriate

4.6 Reporting to parents

The school will regularly inform parents about their child's attendance. This will happen:

- Via half-termly attendance letters to all parents and carers.
- Via termly Parents' Evenings.
- The end of year overall attendance percentage is shared on the child's end of year report. This is RAG rated so the parents can clearly show is the attendance is good, average or a concern.

- The child's number of overall lateness is also shared on the child's end of year report.
- If a child's attendance is a concern or the attendance has been discussed with the school's EWO then a formal letter will be posted out to both parents individually.

5. Authorised and unauthorised absence

5.1 Approval for term-time absence

The headteacher will allow pupils to be absent from the school site for certain educational activities, or to attend other schools or settings.

The headteacher will only grant a **leave of absence** to a pupil during term time if the request meets the specific circumstances set out in the [2024 school attendance regulations](#). These circumstances are:

- Taking part in a regulated performance, or regulated employment abroad
- Attending an interview
- Study leave
- A temporary, time-limited part-time timetable
- Exceptional circumstances

A leave of absence is granted at the headteacher's discretion, including the length of time the pupil is authorised to be absent for.

We define 'exceptional circumstances' as a family bereavement, young carers situation or a safeguarding concern within the family.

As a leave of absence will only be granted in exceptional circumstances, it is unlikely a leave of absence will be granted for the purposes of a family holiday.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant background context behind the request.

Any request should be submitted as soon as it is anticipated and, where possible, at least 2 weeks before the absence, and in accordance with any leave of absence request form, accessible via the school office. The headteacher may require evidence to support any request for leave of absence.

Valid reasons for **authorised absence** include (but are not limited to):

- Illness (including mental-health illness) and medical/dental appointments (see sections 4.2 and 4.3 for more detail)
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parents belong. If necessary, the school will seek advice from the parents' religious body to confirm whether the day is set apart
- Traveller pupils travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision
- If the pupil is currently suspended or excluded from school (and no alternative provision has been made)

Other reasons the school may allow a pupil to be absent from the school site, which are not classified as absences, include (but are not limited to):

- Attending an offsite approved educational activity, sporting activity or visit or trip arranged by the school
- Representing country, county or local area in sport or the arts including trials & auditions;
- Attending another school at which the pupil is also registered (dual registration)
- Attending provision arranged by the local authority
- Educational visits supervised by organisations other than the school;
- Interviews for a new school;
- Examinations/Assessments with recognised bodies e.g., the Associated Board of the Royal Schools of Music;
- Other possible 'exceptional circumstances' where the headteacher may grant term-time holiday for 'Service' families.
- If there is any other unavoidable cause for the pupil not to attend school, such as disruption to travel caused by an emergency, a lack of access arrangements, or because the school premises are closed

Leave is unlikely to be granted for the purposes of a family holiday.

5.2 Sanctions

Our school will make use of the full range of potential sanctions – including, but not limited to, those listed below – to tackle poor attendance. Decisions will be made on an individual, case-by-case basis.

Informal meeting

If a child's attendance drops below 90% the headteacher/attendance champion will speak with the parents to explore the child's attendance issues and barriers. The school will look to support the family to improve attendance.

Attendance Plan Meeting

If the attendance does not improve, the parents/carers will be invited into school for a meeting and a 'Parent Plan' will be put in place. The plan will look at The benefits of regular attendance and the duty of parents under [section 7 of the Education Act 1996](#) It will provide details of how to support the parents/carers by identifying barriers to attendance, set targets to improve attendance, and look at what the school can do to support.

The plan will be reviewed every 3 weeks until attendance has improved.

The school will also seek advice from the Local Authority Education Welfare Service about how further support can be offered.

6. Strategies for promoting attendance

As a school, we celebrate good attendance and share our school's attendance with the pupils and parents.

- We celebrate attendance weekly in Proud Assembly and the class with the highest attendance receives a star on the display at the front of the hall. When a class achieves 5 stars on the board, the children can choose a reward
- There is a whole school display celebrating and sharing class attendance
- Children who gain 100% attendance at the end of each term are added to a raffle to win a family prize.

7. Supporting pupils who are absent or returning to school

7.1 Pupils absent due to complex barriers to attendance

As a school, we work with children and families who have complex barriers to attending school. We would engage with families to offer support, try and identify the barriers to attending school and remove these wherever possible. We would engage with the Education Welfare Office to gain further advice to support the pupil and families to promote attendance to school. The attendance would be regularly monitored and meetings would be held to review the support and adapt accordingly.

7.2 Pupils absent due to mental or physical ill health or SEND

School monitors the attendance and contact is quickly made with the family to identify the mental, physical or SEND need for the absence. If attendance concerns raised, home visits may be carried out in a supportive way to discuss strategies to gain attendance. If due to illness school attendance is not possible, it may be suitable for school work to be provided to the pupil.

In terms of mental ill health, if pupils are struggling to attend school, strategies would be put in place to offer support in and outside of school to support the pupil with their mental health through nurturing sessions or Future in Mind referrals.

Where a pupil has an education health and care (EHC) plan and their attendance falls, or the school becomes aware of barriers to attendance that related to the pupil's needs, the school will inform the local authority.

7.3 Pupils returning to school after a lengthy or unavoidable period of absence

In order to support a pupil return to school after a lengthy or unavoidable period of absence, school would meet with the family and pupil to discuss the best approach for the individual. Children would be encouraged to visit school to engage with their peers again prior to starting school full time. Strategies such as a phased return timetable may be appropriate or 'time out' throughout the school day.

8. Attendance monitoring

The school will:

- Monitor attendance and absence data half-termly, termly and yearly across the school and at an individual pupil level
- Identify whether or not there are particular groups of children whose absences may be a cause for concern

- The Headteacher has termly meetings with the EWO where individual's attendance is discussed. This may result in a letter being sent home to individual or a meeting with parents. These are recorded on the school's CPOMS system.
- Individual's half termly attendance is monitored and is tracked throughout the school year.
- The Headteacher monitors the school attendance weekly focusing on authorised and unauthorised absence.

8.1 Monitoring attendance

The school will monitor attendance and absence data (including punctuality) half-termly, termly and yearly across the school and at an individual pupil, year group and cohort level.

Specific pupil information will be shared with the DfE on request.

The school has granted the DfE access to its management information system so the data can be accessed regularly and securely.

Data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics. The school will compare attendance data to the national average, and share this with the governing board.

8.2 Analysing attendance

The school will:

- Analyse attendance and absence data regularly to identify pupils or cohorts that need additional support with their attendance,
- Identify pupils whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence
- Conduct thorough analysis of half-termly, termly, and full-year data to identify patterns and trends
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

8.3 Using data to improve attendance

The school will:

- Provide targeted support to the pupils it has identified whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence, and their families (see section 8.4 below)
- Provide regular attendance reports to class teachers/, and other school leaders, to facilitate discussions with pupils and families
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies

8.4 Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school. Reducing persistent and severe absence is central to the school's strategy for improving attendance.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Consider potential safeguarding issues and, where suspected or present, address them in line with Keeping Children Safe in Education
- Hold regular meetings with the parents of pupils who the school (and/or local authority) considers to be vulnerable, or are persistently or severely absent, or who are persistently or severely absent, to:
 - Discuss attendance and engagement at school
 - Listen, and understand barriers to attendance
 - Explain the help that is available
 - Explain the potential consequences of, and sanctions for, persistent and severe absence
 - Review any existing actions or interventions
- Provide access to wider support services to remove the barriers to attendance, in conjunction with the local authority where relevant
- Consider alternative support that could be put in place to remove any barriers to attendance and re-engage these pupils. In doing so, the school will sensitively consider some of the reasons for absence
- Implement sanctions, where necessary (see section 5.2, above)
- Letters are sent home to individual parents with the attendance breakdown report so parents can see the overall attendance patterns.
- Meetings would be held with parents alongside the EWO to support parents to improve attendance.
- Individual's attendance is monitored and is tracked on the half termly monitoring tracker. Any conversations with parents regarding attendance held by any staff member is recorded on CPOMS.

9. Monitoring arrangements

This policy will be reviewed as guidance from the local authority or DfE is updated, and as a minimum will be reviewed yearly by the headteacher. At every review, the policy will be approved by the Pupils and Standards committee.
