At morning playtimes, KS2 children will be expected to change into trainers if they choose to participate in sports activities on the field. At lunchtimes, all children will be expected to change into trainers. Older children may also choose to change into their PE kit to avoid soiling school clothes and to maintain good hygiene.

Other accessories:

- We encourage children to wear an analogue watch to support the learning of telling the time.
- No other jewellery should be worn except for plain silver or gold stud earrings, which must be removed for P.E. When children are unable to remove their own earrings, they should bring plasters to cover them.
- Long hair must be tied back at all times.
- Appropriate hair accessories (e.g. bobbles, ribbons, small headbands) should be worn in school colours **only**.
- No nail polish or tattoo transfers should be worn. Children will be asked to remove these by the following day.

All of the above clothing is available from various shops such as Marks & Spencer, Asda and Next. Sweatshirts, polo shirts and fleeces with the school logo are available to order from APC Clothing and from Tesco.

Please ensure that all clothing is labelled or marked with your child’s name, which will avoid the problem of lost items.

Monitoring and review This policy is monitored by the Headteacher, who reports to governors about the effectiveness of the policy on request. It will be reviewed annually and appropriate to new legislation or to the needs of the school.
